CITES information

Hora factory is producing and selling products that may contain *Dalbergia Latifolia* (known as Rosewood or Sonokeling), originating from Indonesia, imported from EU before 01.01.2017. The stock that we have is considered "preconvention stock" and it is registered to Ministry of Environment, Waters and Forests of Romania, Biodiversity Directorate, with no. 1181/17.02.2017.

For selling products containing *Dalbergia Latifolia* inside EU, there is no need of any import or export certificate.
